HOLD OUT A LIGHT

Hold out a light,
The way is dark.
No ray to guide
Yon straggling bark.
Rough rocks are near,
And wild waves roar;
Hold out a light
To show the shore.

Hold out a light;
Your brother may
Win back to land
With your small ray;
New courage find
Life's storm to face
With strengthened faith
To win the race.

Last Will and Testament

We, the members of the class of 1967 of High Point Memorial Hospital School of Nursing, being of questionable sanity, feeble bodies, and shattered nerves, do bequest this our last will and testament.

Article I

To the Nursing Education Department, the Doctors, and the Guild, we leave our "thanks."

Article II

To the rising Senior class we leave our black bands and our recent memories of affiliation.

Article III

To the rising Junior class we leave a step upward on the ladder of success, but "beware—slippery when wet!"

Article IV

I, Cathy Briggs, leave nothing—I'm going to need all I've got and then some!

I, Jeanie Brower, leave my "successful" love life to anyone dumb enough to want it.

I, Louise Denning, leave my ability to enjoy working on 4th East to anyone who can so enjoy.

I, Gloria Dixon, leave all my colostomy patients to the freshman students, in hopes they will share in some real experiences.

I, Dianne Johnson, leave all my "diets and guaranteed weight losing exercises" to Treva Lynch and my quiet ways to Sandy Jones, Sandra Ledwell and Chloe Albright.

I, Gloria Johnson, leave for greener pastures and better hunting grounds.

I, Carolyn McCabe, leave my "bread and butter" to anyone who is as superstitious as I am.

I, Carolyn Parks, leave my "personal opinions," hoping I'll get in fewer jams without them.

I, Ellen Paul, leave my wild dreams of adventure to anyone who will come fly with me . . . Ann?

I, Kay Shuskey, leave my ability to argue.

I, Janice Slack, leave my "giggling" to anyone who is crazy enough to take it.

I, Nancy Stewart, leave with my candle collection and daisies for "The Corner."

I, Diane Thomas, leave my ability to return from Philly with a cracker jack diamond to anyone who can finesse the consequences.

History

Tuesday, September 1, 1964 . . . Three long, hard, struggling but wonderful years ago, twenty-five young innocents walked into the lobby of the Nurses' Residence to begin training to become Registered Nurses.

A church party, cook-out at the Y. W. C. A., and initiation by the Junior Class marked our first week here. The night of initiation we learned what was meant by "neat" rooms - (and they remained that way most of the next three years). One might call it a "conditioning week" or "the lull before the storm." Nursing I, Pharmacology, Microbiology, Chemistry, Sociology, Nutrition, and Anatomy and Physiology proved to be the storm!

Along with the hard work and anxieties of the year, there were fun times too - school dances - we always managed to have plenty of boys there even if a couple did show up with blue uniforms, pistols, and badges. Snow sledding with the saucers, fraternity parties, and various OTHER parties will never be forgotten.

Remember our first injection to our roommate, our first day on the halls - only 2 1/2 hours to do A. M. care on one patient - you're kidding me! Yes, we were the real thing that day - Nurses!

Those long hours of closed study where we learned how to disappear quickly when Mrs. M. knocked on the door. Those closets aren't large enough for six people!

In April we were presented with our caps. Our dream was slowly coming true.

Despite our efforts, we learned during our first nine months, if nothing else, to act like we knew it even if we didn't!

We began our Junior year with Med. -Surg. II and III with Mrs. Hiatt - we'll always remember - "at this stage of the game" and earning the title of "Hiatt's little dozen." Obstetrics, O. R., and Recovery Room completed this year. Hot dog sales and the car wash were our projects to raise funds for the Junior-Senior. (I still don't know what happened to those car mats!). Parks and Mac were the only two who really profited from the car wash!

Our Junior-Senior, July 25, 1966, - a night we will all remember. "The Days of Wine and Roses" was our theme. It was carried out well with red roses which we presented to our big sisters.

During our Junior year, Mac was selected Miss Student Nurse of High Point and D. J. was selected Miss North Carolina Student Nurse! We chartered a bus to Charlotte and were overjoyed when she came home with the crown. Dee and D. J. went to San Francisco and represented High Point well at the Student Nurses' National Convention.

Finally we received our Senior stripes and Psychiatry, Pediatrics, Medical-Surgical Nursing IV, and Senior Experience awaited us. We'll always remember Psychiatry - T. J. C., our instructors, the patients, learning to knit and play Canasta, and being teased about our accent. Philly offered to us a wide variety of activities. Sightseeing, trips to N. Y., Atlantic City, and McGuire Air Force Base made the three months.

Now, as our Senior year is drawing to a close, we leave knowing that "the memories of yesterday make the joys of today seem sweeter and the visions of tomorrow seem brighter."

STUDENT LIFE

On Friday evening, April 2, 1965, we the Senior Class of 1967 received our caps during a ceremony at the High Point Friends Church. This was our first stepping stone toward achieving our goal as professional nurses. It was a night filled with mixed emotions. In the years to come we will never forget our night of capping.

FLORENCE NIGHTINGALE PLEDGE

I solemnly pledge myself before God and in the presence of this assembly to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug.

I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling.

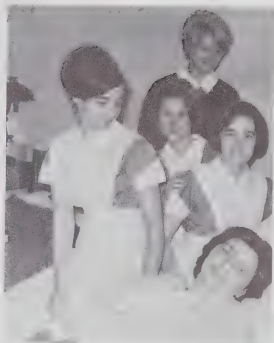

With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.
